Dear Kindergarten Parents/Guardians:

Kindergarten students are offered snacks each afternoon around 2:30. The snack and milk will be provided from the lunch room at an estimated cost of 80 cents per day. During the school year of 174 days, the snack total cost would be \$139.20.

Beginning in the month of September for that month's snacks, your child's account will be charged \$15.47. This will be repeated each month ending in May. Please take note that if the combined snack and lunch balance is \$20 in the negative, we will not be able to provide a daily snack until the balance is caught up. An alternative meal will be served for lunch. Please make contact with the office or Mrs. Fleming with any concerns of if payments cannot be made to keep your student receiving snacks.

Respectfully,
