

Strasburg Preschool and Kindergarten Screening
Monday, April 6, 2020

Dear Parents/Guardians,

It is time to start thinking about and preparing for the upcoming 2020-2021 school year. This year we will be offering preschool and kindergarten screenings. Screenings will take place at Strasburg school on **Monday, April 6** beginning at 8:00 a.m.

The following are requirements for preschool and kindergarten eligibility for screening:

Preschool Eligibility:

-Must be 3 years of age by April 6th

Kindergarten Eligibility:

-Must be 5 years of age by August 1st

You will need to bring with you a copy of immunization records, birth certificate, social security card, and proof of residency.

Below is an attachment to begin the process of signing up your child for the screening. We would also like to know if you prefer a morning or afternoon time that would work best for your family. We will try to accommodate as much as possible.

We will be contacting families to set appointment times the week of March 16th, so please have forms returned **no later than March 13th**. If you have any questions or concerns feel free to contact by phone or email.

Please share this information with any upcoming student in the Strasburg School District. We look forward to meeting you and your student!
